

Following the Chaddertons,

an Immigrant Darien Family

The Chaddertons are an English family who immigrated in the late 19th century and moved to Darien. They were picked at random to display in the Darien Town Hall Cabinet in January 2019.

Zoom in on the records to discover details about the Chaddertons, such as occupations, immigration, relatives, etc.

All the information discovered other than the death notices, location of their grave and photo off their gravestone was found online.

More is available, such as birth, baptism and death records.

If you are interested in your own family history, the volunteers at the Middlesex Genealogical Society will be glad to give you some guidance on how to begin your search.
